

Procedure for resolution of customer complaints of Assetline Capital Private Limited

At Assetline Capital we offer Assetline Mutual Funds, which are flexible mutual fund products that caters effectively to the varying risk-return appetites of investors.

Our team is a well-trained and skilled workforce that uses systematic and efficient processes to provide professional guidance and prompt service to our clients on how to invest your capital for attractive returns.

However, if any customer of Assetline Mutual Funds has any reason to complain regarding the services provided or has any dispute or grievance regarding Assetline Mutual Funds, he/she is kindly requested to contact our Compliance Officer, who will take all efforts to resolve the issue.
